SCARBOROUGH Hospital & Dispensary

SEVENTY-SEVENTH ANNUAL REPORT

submitted to the Governors at the Annual Meeting
held on March 14th, 1929.

THE Board of Management have pleasure in presenting to the Governors and Subscribers the following Annual Report and Balance Sheet for the year ending 31st December, 1928.

Comparative Statement of Work Done.

The following is a record of the work done in the various departments, and for comparison the figures are given for the preceding four years :—

	1924	1925	1926	1927	1928
Admitted as In-Patients to Hospital	671	792	807	892	1087
Ophthalmic In-Patients	49	33	27	52	42
Aggregate number of days in Hospital	15254	16154	18064	19866	23134
Average number of days in Hospital	20'2	18'75	20'6	20'09	19'7
Casualties treated at Hospital	1348	1418	1813	1815	2430
DISPENSARY DEPARTMENT.					
Out-Patients	3464	3527	4016	4064	4379
Patients attended at their own homes	1198	885	1053	1192	859
Total number of Visits to Patients at their own homes	8726	5713	6782	5612	4121
Average daily visits of House Surgeons to Patients at their own homes	23'9	15'9	18'5	15'4	11'2
Ophthalmic Out-Patients	108	85	224	212	216
Prescriptions Dispensed	53631	50577	48461	46700	44978
Attendances at Rontgen Rays	2768	2565	2742	2673	2801
Ultra Violet Ray Clinic Attendances	—	—	1683	1639	2604
Venereal Clinic Attendances	2134	3643	3001	2882	2458

It will be observed there is a large increase in the number of In-patients. For 1927 the number was 944 which was then a record. The number for 1928 is 1129 and the daily average of In-patients through the year 63'6 against 54'5 in the previous year.

The number of beds in the Hospital has been increased in recent years from 53 to 70. It is scarcely possible, and indeed, is not desirable, to add to this number. On many occasions however, there have been over 70 In-patients, as urgent cases have to be admitted if possible. This entails the arranging of temporary beds, and it adds to the difficulties of the Matron and Staff to work the Hospital in such conditions of high pressure. Were more space available the Hospital could at once enlarge the scope and usefulness of its work.

Included in the number of In-patients were 77 cases of persons injured by motor cars. If the average cost per patient is applied to these cases, an additional expenditure of at least £500 is shown to have been incurred.

The work of the Dispensary Department has been up to the average, but the Casualties treated show a large increase.

The Rontgen Ray Department and the Ultra Violet Ray Clinics again show increases, and the benefit obtained by patients in the latter has been most satisfactory.

The Board are pleased to report that the General Nursing Council, after a further visit of inspection by the Chairman of the Committee, have renewed the provisional recognition of the Hospital as a full Training School for Nurses till June, 1929, when it is hoped the recognition will be a complete one. During the year two of the Probationers have passed the Final Examination held by the Council. The thanks of the Board are again due to the members of the Hon. Medical Staff, the House Surgeons and Matron for the attention they have given to the preparation of the Probationers for their Examinations.

New Hospital.

The large increase in the number of patients which has been referred to, and the growing number waiting to be admitted, make the provision of a New Hospital more than ever urgent. About £24,000, one fifth of the amount required, has been given or promised.

If people in the Town and surrounding Districts served by the Hospital could be made to realise the need, the requisite amount would doubtless soon be provided.

The Board regret deeply the loss by death of the Rev. Canon O'Connell, Mr. W. Farside, and Mr. W. Glaisby who had all taken a keen interest in the work of the Institution.

Mr. A. M. Daniel has felt obliged to resign his position as Chairman of the House Committee which he has held for many years, owing to his frequent absence from Scarborough. Whilst the Board much regret losing his services as Chairman, they are pleased to know he is still willing to remain a member of the Board.

Income.

The Income on Revenue Account is £7,417 7s. od., as compared with £7,040 os. 2d. The following figures are interesting as shewing the fluctuations in the various items.

	1927.	1928.	Inc.	Dec.
	£	£	£	£
Donations	311	190	—	121
Subscriptions	433	438	5	—
Collections	1267	1460	193	—
Workpeople's Hospital Fund	1050	1100	50	—
Children's League	75	75	—	—
Entertainments	950	770	—	180
Patients' Donations	723	1066	343	—
Rontgen Ray Fees	329	334	5	—
Investments	1577	1704	127	—
Miscellaneous	325	280	—	45
	£7040	£7417	£723	£346

The Workpeople's Committee have again made a record by contributing £1,100. This is the third year in succession that the Hospital has received £1,000 or more from this Committee. It is most encouraging for the Board to receive this continued and substantial support, and they again desire to express their gratitude and appreciation. They realise that such a result can only be achieved by good organization, enthusiasm and whole-hearted services by the Committee and their band of helpers.

The increase of £193 in the amount of collections is in a large part due to the organization of "Hospital Sunday" by the Interdenominational Union.

The item "Patients' Donations" includes £533 16s. 7d., amounts received from Approved Societies who have adopted "Hospital Benefit" in respect of their members, and it is entirely owing to these contributions that the large increase of £343 has been realised.

By the kindness of Viscount Downe and Lord Derwent, the Grounds at Wykeham Abbey and Hackness Hall were open one day every week during the summer months at a small charge, which was made for the benefit of the Hospital, and the Board desire to express their thanks for this kindness, which was appreciated by many, and resulted in substantial benefit to the funds.

Expenditure.

The expenditure on Revenue Account for the year has been £6791 16s. 8d., as compared with £6574 9s. 9d. the previous year.

The following shows the fluctuations in the various items :—

	1927.	1928.	Inc.	Dec.
	£	£	£	£
Provisions	1327	1589	262	—
Salaries, Wages, etc. ...	1962	2139	177	—
Repairs and Renewals ...	604	264	—	340
Domestic	1278	1390	112	—
Dispensary and Surgery ...	828	861	33	—
Miscellaneous	575	548	—	27
	<u>£6574</u>	<u>£6791</u>	<u>£584</u>	<u>£367</u>

The larger number of patients naturally entails increased expenditure for Provisions, Drugs, and Salaries.

The saving on Repairs and Renewals is chiefly accounted for, in that in 1927 a sum of £205 was presented by the Mustard Club for the purchase of new Bedsteads and Cots.

The grateful thanks of the Board are again given to the Pound Day Committee. Their very successful effort resulted in a record amount of Provisions being handed over. Thanks are also due to this Committee for their

generous provision of Bed-linen, etc., and to all donors of Linen and Household Requisites. All such gifts are a direct relief to Hospital Expenditure, and without them the financial statement would have been far less favourable.

Legacies.

The following have been received during the year :—

	£	s.	d.
From the Executors of the late Miss Florence Balgarnie... ..	1000	0	0
Executors of the late Lieut.-Col. Steble...	450	0	0
Executors of the late Mrs. Jane Lowish...	90	0	0
Trustees of the late Mrs. M. A. Chapman, on further account of interest and legacy	100	0	0

Honorary Medical Staff.

The Board wish again to express their thanks for the most invaluable services rendered by the Honorary Medical Staff during the year.

Thanks.

The Board desire to thank the following for their valued help :—

The Honorary Solicitor.

The Trustees and Committee of the Cottage Hospital for placing at their disposal two free beds for convalescents.

The Clergy and Ministers who made collections at their various places of worship.

All those who allow Collecting Boxes to be placed on their premises.

To the various Friendly and Approved Societies in the town and district who have kindly made Subscriptions and Donations.

To the various sewing parties for their services to the Hospital in attending to the necessary repairs of Linen, Bedding, etc.

And to those kind friends who made themselves responsible for the organisation of the contributions entered on pages 41, 42 and 43 under the heading of "Sundry Collections, Entertainments and Country Village Collections"; the donors of useful gifts sent to the Institution; and the Subscribers and all who have interested themselves in the welfare of the patients, and all other friends who have assisted in any direction.

The usual detailed statistics of work done in the various departments are appended.

REPORT

of the Scarborough Workpeople's Hospital Fund.

Dear Friends,

In presenting this, our Twenty-third Report, let us congratulate ourselves on the splendid record we have achieved. The amount realised this year has surpassed our expectations, considering the distress various bodies of workers have felt. It shows that even in their own need they have not forgotten our good cause.

We have handed over to the Hospital Eleven Hundred Pounds—Fifty Pounds more than last year. We are also giving Fifty Pounds to the New Hospital, for which the town and district stands in such great need.

Our Special Fund still grows, thanks to the many efforts which are made.

The Shield this year is won by the L. & N.E.R. Passenger Staff with a collection of £16 14s. 6d. The Emblem and Medal for shops again goes to Messrs. F. W. Plaxton, Ltd., with a collection of £25 8s. 7d.; 2nd, Gas Company, Westborough, £24 7s. 6d.; 3rd, Messrs. W. Rowntree & Sons', Ltd., Packing Room. The prizewinners for Town Public Houses are—No. 1 District: 1st, Assembly Rooms, £30 1s. 3½d.; 2nd, North Eastern Hotel, £20 13s. 6d.; 3rd, County Hotel, £13 10s. 8d. No. 2 District: 1st, Turk's Head, £33 16s. 3d.; 2nd, Golden Ball, £22 2s. 5d.; 3rd, Britannia Hotel, £11 14s. 6d. The Club's Prize is won by the Club and Institute, Roscoe Street, £12 7s. 3½d. Country Districts—1st, White Swan, Hunmanby, £15 19s. 8d.; 2nd, Plough Hotel, Scalby, £8 6s. 6d.; 3rd, Railway Tavern, Hunmanby, £5 13s. Filey—1st, Star Hotel, £13 11s. 6d.; 2nd, Foord's Hotel, £2 2s. 6d.; 3rd, Grapes Hotel, £1 14s. 6d.

We wish to thank the Proprietors of Gala Land for their kindness, the Breweries Football Committee, the East and West Ayton Homing Society, the Filey Homing Society, Mrs. Fewster and friends, of Seamer, Mr. Haynes, of Staxton, Mrs. Alden, of Cayton, the Scarborough Cricket Club Committee, the children of Scarborough who made the May-day Festival and Christmas Pantomime such great successes, Lady Downe, Captain Sidney Herbert, M.P., C. C. Graham, Esq., J.P., the L. N. E. R. Company and Staff for part proceeds of the Railway Exhibition, tradespeople and others who gave prizes for Whist Drives, etc., and all who helped at the House-to-house Collection."

Wishing all our friends the best of health, and trusting they will continue to help us.

Yours on behalf of the Committee,

F. J. PICKUP.

Children's Hospital League.

Annual Report, 1928.

Owing to their having to reside in London the greater part of the year, Mr. Daniel has resigned from the Chairmanship of this Committee, and Mrs. Daniel from being Joint Hon. Secretary.

The services rendered by them in the past have been most valuable. Though resigning the honorary official positions they have held, it is hoped they may still continue to be members of the Committee.

The Committee are again pleased to be able to hand over £75 to the Hospital Fund, and, in addition, a donation of £25 to the New Hospital Fund.

Particular mention must be made of the magnificent effort of the Girls' High School, by which the sum of £200 was realised. Of this, £195 was given to the New Hospital Fund, and £5 to the Children's League.

All interested in the Hospital will greatly appreciate the work done by the Head Mistress, Miss Glauert, her staff and pupils in achieving this result. We cannot but hope their example will be an incentive to other schools in the town.

The Committee again warmly thank the authorities of both Public and Private Schools for their kindness in making the appeal and forwarding the collection.

M. B. GRAHAM, Hon. Secretary.
